Information and stays

Parking

Each car can park next to the house that corresponds to it, as close to the house as possible, so that they do not interrupt the flow of traffic through the property, that is, there would be 5 parking spaces.
You can also park in front of houses 1 and 2, 3 well-placed cars could fit.
If there were more than 7 vehicles, they would have to park outside the premises.

Please do not park on the grass at the entrance because it would break the irrigation system.

Pool

-The pool will be available during the summer from June 1 to September 30.

Barbecue

-The barbecue is made with charcoal, which the client has to bring.

-It is prohibited by law from June 1 to October 1.

-Each house has electric griddles to make grilled stews in the summer.

Chimney

-The fireplace is available, but we only replace firewood during the winter period, from December 1 to April 1 and it will be free.
You will have to bring ignition pads and a lighter to light it.

Wifi

-We don't have wifi.

Pets

-We allow one pet per house, if there are two, ask.

Entry and exit of the houses.

Entrance:

- As a general rule, entry will be from 2:00 p.m. in the normal season, or 3:00 p.m. in the holiday season. In any case, it will depend on whether people leave the house you occupy that same day, so when we contact Before arrival, we will agree more exactly on the arrival time.

- We will receive you at the door of the house, please inform us in advance of your arrival time, if possible at least the day before, by email, Whatsapp, Airbnb or phone.

Exit:

- Leaving the houses is mandatory before 12 o'clock.

- When you leave, please take the card out of the light, leave it along with the keys on the counter and close the door (Kitchen appliances such as the refrigerator, washing machine and dishwasher continue to work, even if you take out the card).

Otherwise, we hope you enjoyed your stay.
Thank you very much for coming and see you soon!
